

INTERNATIONAL  
HIGHER SCHOOL OF  
MEDICINE

**IHSM Summer School**

# "Ischemic Stroke: Learning to Save Lives"

Summer School at the International Higher School of Medicine

**August 12-24, 2024**

[www.ism.edu.kg](http://www.ism.edu.kg)

**Are you passionate** about medicine and dedicated to improving in diagnosis, treatment and prevention of Ischemic stroke?

We invite you to be a part of our exciting and educational journey this summer at the Summer School on " Ischemic Stroke: Learning to Save Lives."

### **Why Attend?**

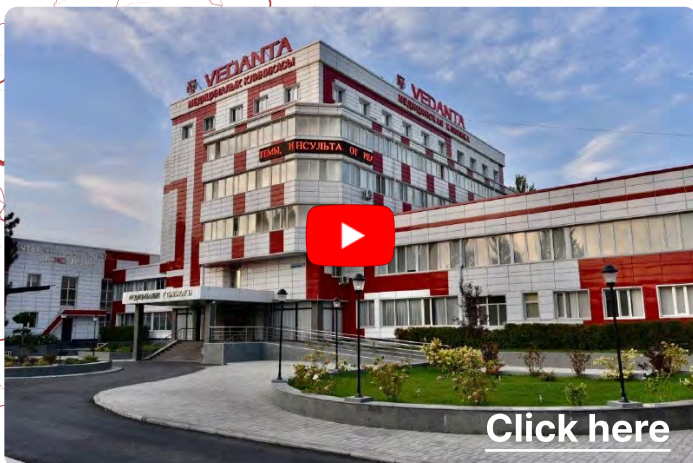

This summer school is designed for undergraduate and graduate students who wish to explore the dynamic world of medicine and health care related to ischemic stroke.

### **Program Highlights:**

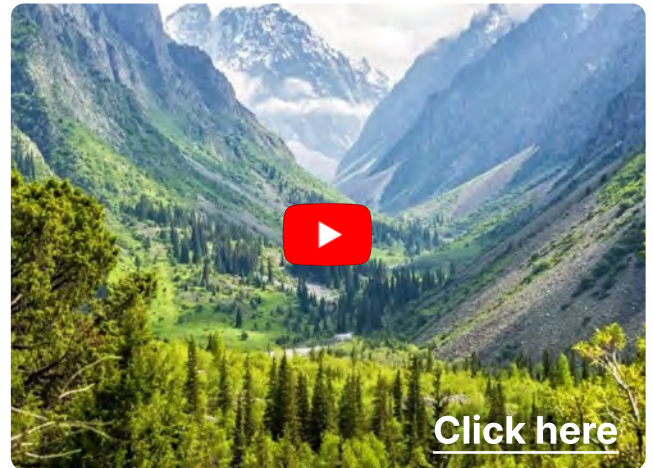

- Dates: August 12-24, 2024
- Location: Bishkek and Cholpon-Ata, Kyrgyzstan
- Duration: 2 weeks
- Language: The program will be conducted in English.

### **Our program offers:**

- Hands-On Workshops: Immerse yourself in interactive sessions and practical workshops guided by highly-qualified medical experts and educators.
- Practical Medical Experience: Gain hands-on exposure to real patients under the guidance of experienced mentor doctors.
- Cultural Immersion: Experience cultural enrichment through our program in Bishkek, Issyk Kul, and Zhety-Oguz.
- Certificate of Participation: Receive a certificate acknowledging your participation, along with 3 ECTS credit points.

**Kyrgyzstan's natural beauty**, cultural heritage, and warm hospitality make it a captivating destination for travelers and a unique country in the heart of Central Asia. Kyrgyzstan, due to its location in the heart of Central Asia, always had the utmost importance on the Silk Road. The cultural program of Summer School along the Silk Road is a great opportunity to visit the places where once were rows of caravans with unique products, to learn about the culture and values of the people, to see the buildings of the Middle Ages, as well as enjoy the unique mountain landscapes.

**IHSM** provides comfortable dormitories with separate accommodations for men and women during your stay in **Bishkek and Cholpon-Ata, Kyrgyzstan**.

**Food:**

Summer School participants will be provided with refreshments such as soft drinks and light snacks, and will have an access to water and tea. Participation fee includes welcome and farewell dinners.

### Important Information:

- Participants who require medication should bring it with them, ideally with the original packaging.
- If you have any allergies or dietary intolerances, please inform us during the registration process.
- August in Bishkek can be quite hot, so please monitor the weather forecast and make appropriate preparations.

### Selection criteria:

- Motivation letter (max. 300 words)
- CV or Resume

### Application period:

30.01.2024-27.06.2024

The tuition fee for students from **other countries is 600\$**, for students from **Central Asia — 200\$**. It must be paid on the first day of the summer school. We can assist students with flight arrangements and accommodation.

**Accommodation**, lunch and refreshments are included to tuition fee.

We also recommend asking the international office of your home university **for financial aid**

**Certificate:** Upon successful completion of the summer school the participants will receive a certificate stating the topic of the course and the number of 3 ECTS obtained.

Deadline to [Register and uploading](#) your Motivation Letter and CV:  
**June 20, 2024**

Don't miss out on this unique opportunity to expand your knowledge and passion for medicine and health care. Join us at the IHSM Summer School, where medicine meets compassion and innovation!
