## Eppendorf & Science Prize for Neurobiology

The annual Eppendorf & Science Prize for Neurobiology is an international prize which honors young scientists for outstanding neurobiological research based on methods of molecular, cellular, systems, or organismic biology. If you are 35 years of age or younger and doing great research, now is the time to submit an entry for this prize.

It's easy to apply! Write a 1,000-word essay and tell the world about your work.
